

### 2-4 Weeks Before Your Move

- Estimate size and difficulty of the move
- Measure to make sure furniture will fit
- Arrange to sell, donate any unwanted items
- Furniture shop for new furniture if required

### 1-2 Weeks Before Your Move

- Organise quotes and to have utilities connected
- Arrange final meter reading/utility disconnections
- Arrange baby sitter if required
- Organise pre settlement inspection
- Measure doorways, stairs and furniture to make sure they will fit and also suit the new property décor
- If packing yourself and using a mover try to make it easy to collect boxes and move around rooms to pack items into the trucks quicker

### Organize boxes and packing materials

- Organise contents, moving and home insurance
- Notify agent/landlord/solicitor of your moving date
- Book a removalist or hire a ute/truck/trailer/
- Book a cleaner/gardener/handyman
- Begin packing your items
- Label items on boxes and furniture to where they need to go in new property
